

FROM THE PRINCIPAL

Dear Parents and Community Members,

The purpose of this report card is to provide a snapshot of student achievement at Clara Brownell Middle School. Our administrators and teachers use this information to help us identify which programs are working and what can use greater attention.

Currently, we are strengthening our collaborative climate in which teachers and students work together to improve literacy and math skills. We are implementing a school-wide focus on student goal setting and reading. We will continue to reinforce positive behavior and work with students who need behavior supports.

Our overall goal is to prepare ALL students for high school and beyond while meeting individual needs. We ask that parents and families help with this goal by monitoring their child's homework and grades, being present at activities and events, volunteering, and communicating with teachers regularly. We look forward to working with our families to make sure all of our students reach their full potential.

Thank you,

Principal | Liz Durant

However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.
