FROM THE PRINCIPAL

Dear Parents and Community Members,

McNary Heights Elementary School is dedicated to providing students a top-quality education. Through curriculum adoption, increased access to technology, and professional development, we continue our efforts to prepare students to become successful, contributing, citizens of the future.

This year, we celebrate our continued growth in SBAC results. Our second straight year of level-four academic growth, as well as our level-three achievement in mathematics, can be directly attributed to the hard work and dedication of our students, families, and staff. Each plays an important role in the growth

of our children, and I applaud all efforts.

We continue focusing our resources toward closing achievement gaps and extending learning opportunities for all students. Parents can help by monitoring homework, encouraging children to read aloud for 20 minutes each night, attending school activities, and making sure students are at school each day. We welcome the opportunity to build partnerships with families and the community to ensure all students reach their full potential.

Thank you,

Principal | Rick Cotterell

The Oregon Department of Education (ODE) will not assign summative, overall ratings to schools on the 2016-17 report cards given the upcoming implementation of the Every Student Succeeds Act (ESSA) in 2017-18. However, the ODE will report indicator ratings (e.g., achievement, growth, graduation, etc.) for each school and student group on the 2016-17 Report Card (RC) Rating Details reports. These reports are accessible at <http://www.oregon.gov/ode/schools-and-districts/reportcards>. For more information about ESSA and the redesign of the school and district report cards, please visit <http://www.oregon.gov/ode/rules-and-policies/ESSA>.

SCHOOL PERFORMANCE

Performance of students enrolled in the school for a full academic year

Did at least 95% of the students at this school take required assessments? Yes No, Interpret Results with Caution
Participation rate criteria are in place to ensure schools test all eligible students.

2014-15 was the first operational year of the new English language arts and mathematics assessments.

The Smarter Balanced and alternate assessments have four performance levels where levels 3 and 4 are meeting the standard for school and district accountability.
